

Section I: Introduction

The Willingboro Municipal Utilities Authority (WMUA) was created by the Township of Willingboro to provide water and sewer service to the residents of the municipality. While the WMUA has broad statutory powers to provide these essential utility services, it has certain obligations as well. Its responsibilities include compliance with the adopted bond resolution, the adopted service agreement with the Township of Willingboro; Federal and State laws governing pollution control, drinking water quality and quantity, bio-solids management, contractual undertakings and other applicable State and Municipal Laws and Ordinances.

The office of the Willingboro Municipal Utilities Authority is located at 433 John F. Kennedy Way, Willingboro, New Jersey, 08046, and is open for business Monday through Friday from 9:00 a.m. to 4:30 p.m. Regular meetings of the Willingboro Municipal Utilities Authority are held at the WMUA offices. All meetings are held in accordance with the provisions of the Open Public Meetings Act (N.J.S.A. 10:4-6 et seq.).

The following document sets forth the rates, procedural rules, standard terms and conditions of service, standard technical specifications and other regulations under which water and sewage service will be supplied by the WMUA to its customers.
