3. **BIDDER'S QUALIFICATIONS:** Before a bid is considered for award, the bidder will be requested by the AUTHORITY to submit a statement of facts in detail as to his previous experience in performing similar or comparable work and of his/her business and technical organization and financial resources and plant available to be used in performing the contemplated work. **All bidders must have experience and be familiar with the provision of Sludge Hauling Services.**

The bid deposit of the three (3) lowest bidders will be returned upon receipt of approved performance bond, if required, and upon execution of a formal contract with the successful bidder(s).

As required by N.J.S.A. 40A:11-22, a Consent of Surety must be submitted with each bid whenever a surety company bond is required in the advertisement or specifications. See Section 1.07 for Performance Bond requirements for these specifications.

If a Performance Bond is required by Section 1.07, the Consent of Surety must be submitted with the bid on one of the following two Forms in the amount specified in Section 1.07 of these specifications.

A. On the form located at Section 4.03. The inclusion of conditions or other text on this Form by the bidder and/or the Surety will constitute a material deviation from these Specifications and will cause the bid to be rejected.

B. On the Form of the Surety, but only if the Consent of Surety provided on this form is an unconditional promise by the Surety to provide a Performance Bond for the Bidder in the full amount specified at Section 1.07. Any conditions or other limiting language contained in the Consent of Surety submitted on the Form of the Surety shall constitute a material deviation from these specifications and will cause the bid to be rejected.

A Power of Attorney appointing the person signing either Form, described above, as Attorney-in Fact must be attached to the Consent of Surety.

The Consent of Surety must be valid for a period of no less than ninety (90) days from the date of the bid opening. The Consent of Surety must be an original with a raised seal. NOTE: Failure to submit a Consent of Surety which meets the specifications on one of the two Forms described in this Section shall cause the bid to be rejected.

PERFORMANCE GUARANTEE REQUIREMENTS

The successful bidder must provide to the Authority a performance guarantee in the amount equal to twenty-five percent (25%) of the awarded amount.

The performance guarantee must be provided in one of the following four forms:

- 1) A performance bond. If a performance bond is provided as the performance guarantee, this bid MUST be accompanied by a certificate from a surety company (CONSENT OF SURETY) stating that the surety company will provide the bidder with a performance bond in the required amount if the bid is accepted. See Sections 1.06 and 4.02 for reference and additional instructions.
- 2) A cashier's check.

- 3) A certified check.
- 4) A letter of credit.

IF A PERFORMANCE BOND IS PROVIDED AS THE PERFORMANCE GUARANTEE, the bidder must submit a performance bond, in the amount described above, within ten (10) days of the receipt of the notice of intent to award a contract, to the authority. The performance bond must be drawn to the Willingboro MUA.

IF A CASHIER'S CHECK OR A CERTIFIED CHECK IS PROVIDED AS THE PERFORMANCE GUARANTEE, the bidder must submit either a cashier's check or a certified check in the amount set out above within ten (10) days of the date of the receipt of the notice of the intent to award a contract to the Willingboro MUA. The check must be made payable to Willingboro MUA. The check will be deposited in the trust account of the Willingboro MUA to be held until the contract has been performed by the successful bidder. After the complete and satisfactory performance of the contract, a check for the full amount of the performance guarantee will be returned to the bidder.

IF A CHECK IS PROVIDED AS THE PERFORMANCE GUARANTEE, the Willingboro MUA, at the option of the Willingboro MUA, may use all or any portion of the performance guarantee amount, in addition to all other remedies, for any failure of the successful bidder to faithfully perform all matters which may be contained in the performance of the contract or agreement including the repair and maintenance of any work, project or facility and its appurtenances and keeping the same in good serviceable condition during the term of the contract.

IF A LETTER OF CREDIT IS PROVIDED AS THE PERFORMANCE GUARANTEE, the bidder must submit a letter of credit in the amount described above within ten (10) days of the receipt of the notice of intent to award a contract to the Willingboro MUA. The letter of credit must be drawn to the Willingboro MUA.

The letter of credit must remain open and valid for the complete contract period plus an additional ninety (90) days.

The surety company providing the Consent of Surety and the Performance Bond must be authorized pursuant to the New Jersey statutes to carry on business in the State of New Jersey as specified in N.J.S.A. 17:17-1(g).

The Performance Guarantee shall be for the full amount as required for the term of the contract.

Submission of a performance guarantee is a condition precedent to a contract award. After receipt of such a performance guarantee and other submissions required by the bid specifications, the bid will be accepted and a signed contract (this bid document) and a purchase order(s) will be forwarded to the successful bidder.

NOTE: THE WILLINGBORO MUA SHALL NOT BE RESPONSIBLE FOR ANY EXPENDITURE OF MONIES OR OTHER EXPENSES INCURRED BY THE BIDDER UNLESS THE BIDDER HAS RECEIVED A SIGNED CONTRACT AND A PURCHASE ORDER.

5.1 Bids shall be submitted on the forms furnished or copies thereof, and must be manually signed. If erasure or other changes appear on the forms, the person signing the bid must initial each such erasure or change.

6. SUBMISSION OF BIDS: Bids must be submitted as directed on the bid form.

7. RECEIPT AND OPENING OF BIDS:

7.2 No responsibility will attach to any officer for the premature opening of, or the failure to open, a bid not properly address and identified.

8. WITHDRAWALS OF BIDS: Bids may be withdrawn on written or telegraphic request received from bidders prior to the time fixed for opening. Negligence on the part of the bidder in preparing bid confers no right for the withdrawal of the bid after it has been opened.

9. BIDDERS PRESENT: It is not essential for bidders to be present at the bid opening. At the time fixed for the opening of bids, their contents will be made public for the information of bidders and others properly interested, who may be present either in person or by representative.

10. AWARD OF CONTRACT:

10.1 The contract will be awarded as soon as practicable to the lowest responsible bidder, price and other factors considered, provided the bid is reasonable and it is in the interest of the Authority to accept it. The Authority reserves the right to award items to separate bidders, or to the bidder furnishing the lowest bid for all items.

10.2 The Authority reserves the right to waive any informality in bids received when such waiver is in the interest of the Authority. In case of error in the extension of prices, the total price will govern.

11. REJECTION OF BIDS: The Authority reserves the right to reject any and all bids when such rejection is in the interest of the Authority.

12. CONTRACT: The bidder to whom award is made shall, within the time established in the bid and when required, enter into a written contract with the Authority.

13. MODIFICATIONS TO SPECIFICATIONS: The right is reserved, as the interest of the Authority may require, revising or amending the specifications and/or drawings prior to the date set for opening bids. Such revisions and amendments, if any, will be announced by an addendum or addenda to this Notice to Bidders. Copies of such addenda as may be issued, will be furnished to all prospective bidders. If the revisions and amendments are of a nature which requires material changes in quantities or prices, or both, the date set for opening bids

may be postponed by such number of days as in the opinion of the Engineer will enable bidders to revise their bids. In such case, the addendum will include an announcement of the new date for opening bids.

14. NONDISCRIMINATORY CLAUSE: During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal Court decisions.
