

FAQS

TAX LIEN SALE

Dear Willingboro Residents,

We would like to clarify recent updates to the Willingboro Municipal Utilities Authority (WMUA) collection process and address a common concern regarding tax lien sales. WMUA is no longer offering payment plans or issuing shut-offs for delinquent accounts. Instead, the Township of Willingboro's tax sale system is being used to collect unpaid water and sewer balances.

What Does This Mean for You?

- 💧 An unpaid water and sewer balance is reported as a municipal lien, which may be sold in a tax lien sale by the Township not by the WMUA.

It Is Important to Note

- 💧 The WMUA does not place claims on your property nor will it take ownership or legal control of any real estate.
- 💧 You remain the legal owner of your property and have up to two years to resolve any outstanding balance with the lien holder.

What Can You Do?

- 💧 Resolve overdue amounts before they are submitted to the Township.
- 💧 WMUA will accept payments through September 13, 2026. After that date, unpaid balances must be paid directly to the Township of Willingboro.
- 💧 Contact WMUA if you have questions or need guidance.

We're Here to Help

- 💧 Contact WMUA Customer Support via phone at 609-877-2900.
- 💧 Visit our website at wmua.info.
- 💧 Walk-in Help: 433 John F. Kennedy Way, Willingboro, NJ from 9:00 AM to 4:30 PM Monday-Friday.

Water is vital. So is peace of mind. Let's work together to keep Willingboro flowing smoothly.
