

Construction of upgrades and improvements to the Well 6 Water Treatment Plant in 22 Medallion Lane, Willingboro Township, Burlington County, New Jersey, \$20,893,622 were financed by the New Jersey Water Bank (NJWB). The NJWB is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (Infrastructure Bank) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the Infrastructure Bank to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide water quality benefits, including improved treatment reliability, modernization of aging treatment equipment, and continued safe and dependable potable water service for residents and businesses in Willingboro Township, Burlington County, New Jersey.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
